

SOUND TRAX

This class will introduce students to creating music, sounds and voice-overs for a clip from an animated feature film. Students will learn about the equipment/software, voice acting, selecting music to set the scene, creating sound effects, and more. Students will create their own CD to take home and we will post the final class project on our website!

THIS IS A GREAT CLASS TO TAKE WITH A GROUP OF YOUR FRIENDS!

CHECK OUT THIS SAMPLE OF WHAT YOU COULD DO!
